DESIGN ENROLLMENT CERTIFICATION

As a result of a collaborative analysis with the Massachusetts School Building Authority (the "MSBA") of enrollment projections and space capacity needs for the proposed project at Tri-County Regional Vocational Technical High School, the Tri-County Regional Vocational Technical School District hereby acknowledges and agrees that the design of the proposed project at the Tri-County Regional Vocational Technical High School shall be based on an enrollment of up to but no more than 1,000 students in grades 9-12. The Tri-County Regional Vocational Technical School District further acknowledges and agrees that, pursuant to 963 CMR 2.00 *et seq.*, the MSBA shall determine the square feet per student space allowance and total square footage for a grades 9-12 high school serving up to but no more than 1,000 students. The Tri-County Regional Vocational Technical School District acknowledges and agrees that it has no right or entitlement to any particular design enrollment, square feet per student space allowance, or total square footage and that it has no right or entitlement to a design enrollment any greater than 1,000 students for the Tri-County Regional Vocational Technical High School, and further acknowledges and agrees that it shall not bring any claim or action, legal or equitable, against the MSBA, or any of its officers or employees, for the purpose of obtaining an increase in the design enrollment of the Tri-County Regional Vocational Technical High School that it has acknowledged and agreed to herein. The Tri-County Regional Vocational Technical School District further acknowledges and agrees that, among other things, the design enrollment, square feet per student space allowance, and total square footage of the Tri-County Regional Vocational Technical High School shall be subject to the approval of the MSBA's Board and that the final approval of a proposed project at the Tri-County Regional Vocational Technical High School shall be within the sole discretion of the MSBA's Board.

The undersigned, for themselves and the Tri-County Regional Vocational Technical School District, hereby certify that they have read and understand the contents of this Design Enrollment Certification and that each of the above statements is true, complete and accurate. The undersigned also hereby certify that they have been duly authorized by the appropriate governmental body to execute this Certification on behalf of the Tri-County Regional Vocational Technical School District and to bind the Tri-County Regional Vocational Technical School District to its terms.
